Athletes wishing to contact the IP in relation to the relevant provisions in this policy should do so via email to enquiries.internationalpanel@britishcanoeing.org.uk

SECTION A: PURPOSE AND PRINCIPLES

1. Purpose

The purpose of the Olympic Canoe Slalom & Kayak Cross selection policy (the 'Policy') is to determine the nomination of the GBR Olympic Canoe Slalom & Kayak Cross Team members to the British Olympic Association (the 'BOA') for the Paris 2024 Olympics.

2. Principles

- 2.1. The aim of this policy is to select the strongest overall team to challenge for Olympic medals at the Paris 2024 Games.
- 2.2. Nominations will be based on the Canoe Slalom & Kayak Cross International Panel's (the 'IP') assessment of individual athlete performance and team medal potential across the available boat quota places achieved through the International Canoe Federation's (the 'ICF') [Olympic Qualification System \(OQS\)](#).
- 2.3. To enable athletes' optimal preparation in event(s) that they have been selected for, nominations are planned to take place at three separate IP meetings in October 2023, April and June 2024.
- 2.4. All medal opportunities and medal events are considered of equal importance.

SECTION B: ELIGIBILITY

3. To be eligible for nomination, athletes must:

- 3.1. be a full member of British Canoeing or Home Nation Association that enables participation in competition;
- 3.2. comply with any eligibility criteria as set out by the BOA, International Olympic Committee (the 'IOC') and/or the ICF from time to time; and
- 3.3. either
 - 3.3.1. qualify into the 2024 Senior Canoe Slalom Team Selection series under the provisions of [the 2024 GBR Senior Team Selection Policy](#); or
 - 3.3.2. achieved a senior Canoe Slalom and/or Kayak Cross final result at a World Championships, European Championships/European Games or World Cup events in the 2022 or 2023 season.

SECTION C: SELECTION PANEL AND PROCESS

4. The IP is appointed by and reports to the Board of British Canoeing. It is responsible for all aspects of developing, approving and managing the implementation of this policy. The Terms of Reference can be found [here](#).
5. The IP comprises the following voting members: Andy Maddock (Chair and British Canoeing Head of Performance Operations), David Spencer (Slalom Committee Representative), Jim McConnachie (Independent Member), Mark Ratcliffe (British Canoeing Canoe Slalom and Kayak Cross Performance Director), Gareth Wilson (Podium Technical Coach). A member of the British Canoeing Governance Team and an external representative will attend as independent observers.
6. The Olympic Team nomination process is planned to take place at three selection meetings as follows:
 - 6.1.1. Stage 1 – October 2023 (section 12 below)
 - 6.1.2. Stage 2 – April 2024 (section 13 below)
 - 6.1.3. Stage 3 – June 2024 (section 14 below)

7. Confirmation of the dates of all IP Meetings to determine nominations under this policy will be published on the British Canoeing Website.
8. Nomination to the BOA does not guarantee selection for the Paris Olympics 2024. The BOA must ratify all nominations made by British Canoeing before the selection is confirmed.
9. The formal announcement of the Paris 2024 Olympic team will be made in conjunction with the BOA following confirmation by BOA of acceptance of the IP nominations.
10. Athletes are obliged to keep any notifications of nomination or non-nomination in respect of the Paris 2024 Olympic Team strictly confidential until authorised by the British Canoeing Performance Director.

SECTION E: DE-SELECTION AND FITNESS TO COMPETE

15. At any stage of the selection process prior to the date of the Delegation Registration Meeting in early July 2024 (provisional deadline is 23:00 UK time on 8th July 2024) (“DRM”), the IP reserves the right not to nominate, or to de-select, any athlete or reserve on the following grounds:
 - 15.1. Medical grounds – i.e. when an injury/illness may, in the reasonable opinion of the IP, inhibit the achievement of appropriate performance; or
 - 15.2. Suitability as a team member, where for example (but not limited to) an athlete’s behaviour or attitude leads the IP to determine in its opinion that the selection of such athlete would be inappropriate; or
 - 15.3. Poor form – i.e. when an athlete’s form in events and/or training has decreased to a level which, in the opinion of the IP, would inhibit the achievement of appropriate performance.
 - 15.4. The IP will provide any de-selected athlete with written grounds for its decision. Decisions on these grounds shall not be open to appeal.
16. Following the DRM, athlete de-selections and replacements are to be only allowed in accordance with the IOC’s “Late Athlete Replacement Policy”. This primarily provides for replacement in the case of injury and/or illness. In the event of there being a query over this, the following procedure will be adhered to:
 - 16.1. The Team GB’s Chief Medical Officer can require an athlete to undergo a medical examination to determine his/her fitness to participate. This examination will be carried out by the Team GB Chief Medical Officer or another doctor delegated by him/her. If the athlete fails the medical examination he/she will be withdrawn from the Team and British Canoeing may (if appropriate) nominate a replacement athlete in accordance with its Selection Policy.
 - 16.2. If the athlete passes the medical examination carried out in accordance with 16.1 above but British Canoeing and/or the BOA still have concerns over whether or not the athlete is able to compete to a level which would ordinarily have been expected of the athlete due to the underlying injury or illness, the Chef de Mission (in consultation with British Canoeing) can require the athlete to undergo a set of pre-determined sports specific performance tests. The tests will be conducted under the guidance of the sport’s Team Leader (or his/her delegate e.g. team physiotherapist) and a BOA representative or delegate will be present (if possible/available). If the athlete fails the test (which can be undertaken on more than one occasion and within a short time frame if appropriate), he/she will be withdrawn from the Team on medical grounds and, if appropriate, a replacement can be nominated by British Canoeing in accordance with the criteria set out in this Selection Policy.

SECTION F: APPEAL PROCEDURE

17. British Canoeing operates a formal Appeals Procedure for challenging selection decisions made under this policy. Any athlete wishing to submit an appeal must do so in line with the requirements of this Procedure. The Appeals Procedure can be found [here](#).
18. In the event that the BOA refuses to ratify a nomination by the IP, the athlete may appeal that decision under the BOA’s appeals policy, which will be provided upon request.
19. Guidance for athletes is available from the British Canoeing Performance Wellbeing Coach, zofia.campbell@britishcanoeing.org.uk. UK Sport funded World Class Programme athletes can also contact the BEAA at support@britishathletes.org for support and advice.
