

British Canoeing - Canoe Slalom International Panel - 2020 Selection

The 2020 Junior, U23 & Senior Team selection policy is published today and can be found here. The International Panel want to thank those who contributed through the public consultation process in October.

Selection registration – Registration for 2020 selection is now live and can be accessed <u>here</u>. Please register by 5th March 2020 and don't forget to enter each race too.

Consultation – Emerging Themes - We have summarised the main themes emerging from the consultation process in the tables below and are grateful for those (22 respondents) who have provided their thoughts and ideas.

Theme	Description	Outcome	
All 3 races	Concern was raised by contributors that the	The IP has considered this and to address a number of	
are	semi/final format restricts athletes to a	concerns such as familiarity with Lee Valley, increase the	
semi/final	minimum of 3 runs from up to 6 and three	minimum number of runs at selection to 4 the decision has	
format	opportunities to achieve the performance	been taken for race 2 to be a best of 2 runs race.	
	standard from up to 6		
Lee Valley	Some contributors expressed concern that Lee	Lee Valley is one of the best venues in the world and the IP	
not a fair	Valley as a pumped course is not available to	are firm on utilising it as the main selection venue. Race 2	
playing field	all and suggested using an alternative venue.	(the first race at LV) will be a best of 2 run race to provide	
		greater opportunities for performances on the LV course.	
The size of a	There were conflicting views on the size of the	The IP considered this and concluded that 8 is the	
joint	joint U23/Senior finals with some saying that 8	appropriate number particularly as the number of	
U23/Senior	was correct and others suggesting a larger	semi/final counting races has dropped from 3 to 2.	
final	final.		
Tie Breaks	Feedback was received about how positions	The tie break has been changed to utilise the discarded	
	are determined in the event of a tie on points.	result as the first assessment of a tie break.	
14 Day	The released races allow 14 days for athletes	A longer period was considered, but the whole motive for	
released race	to be re-instated to start lines that they may	this clause is to encourage selected athletes to indicate	
period is too	have originally declined.	which races they intend to release to allow reserves to	
short		plan ahead. Removing the 14 day clause will most likely	
		reduce the races released in advance and hamper reserves	
		preparing for races.	
Finalising	There was a consensus requesting final	The IP respect that the earlier the better but configuration	
course	configurations to be set earlier than January.	has to be done in consultation with the commercial	
configuration		operators, meet a variety of safety and operator needs and	
		fit the time lines of operators and so whilst we hope that	
		the configuration is set earlier, there are no guarantees.	
Appeals	Feedback was received on the appeals process	The appeals policy has been reviewed and updated to	
Process	which was passed to the Head of Governance	reflect feedback and can be found <u>here</u> . There is further	
	for full consideration as any change will apply	clarification on possible costs, clarity on timelines and	
Points	to all BC selection policies A number of contributors suggested reviewing	confidentiality. The IP is interested in pursuing this for 2021 onwards and	
	the points system for the Paris cycle.	will start a preliminary study but it was agreed that it was	
System	the points system for the rails cycle.	too late to introduce an untested system for the 2020	
		season.	
Performance	Observations were made that the WC1	The analysis of 2019 data has actually shown that WC1	
Standards	performance standards in particular were too	data is correct and a number of other changes have been	
Stanuarus	soft compared to other events.	made in both directions in the published policy.	
	1 controlled to other events.	1aaa bat an cottons in the pasiioned poncy.	

2021 Junior & U23 Selection – Thanks to those people who provided input on 2021 Jun/U23 selection. The feedback was helpful but with a variety of views and suggestions the IP will now explore options and suggestions further and will commit to a decision by 7th April if there is a plan to hold any part of it in 2020.

Exceptional Circumstances – The following athletes have applied in line with the previous IP Statement and have been granted places at the 2020 U23 & Senior team selection process under exceptional circumstances. They are added to the list which shows the final version in the published policy.
