SECTION A: PURPOSE AND PRINCIPLES

1. Purpose

The purpose of the Paracanoe selection policy is to clearly outline the processes which will lead to the selection of the GBR Paracanoe Teams for all 2024 international events named within this policy. It also aims to support the longer-term goals of the Paracanoe Programme to LA 2028 and beyond.

2. Principles

- 2.1 The primary focus of the 2024 Paracanoe Selection Policy is to maximise medal winning opportunities at the 2024 Paris Paralympic Games, with a secondary focus on providing racing opportunities for athlete development across sport classes and classification categories.
- 2.2 The Selection Policy seeks to select the best athletes in a transparent way that prioritises optimal preparation time for achievement of successful performance at 2024 international competitions.
- 2.3 Selection/nomination will be based on results in selection races and subject to achievement of a performance standard.
- 2.4 The selection policy is designed to enable athletes to develop individualised training programmes to best suit their competition goals.

SECTION B. ELIGIBILITY AND PERFORMANCE STANDARDS
