Appeals

The Paddle UK selection policy has a clear appeal process as outlined in the policy which can be found [here](#). Due to the proximity of the Olympic Games, The Paddle UK Director of Governance has invoked the provisions of 1.5 of the Competition Selection Appeals Procedure to make an adjustment to the timescales.

Athletes must email appeals@paddleuk.org.uk within 1 working day of the date and time of this selection notice to declare their intent to appeal. This declaration must include the athlete's name and the selection decision they intend to appeal against. Please note this declaration of intent to appeal is not the same as the notice of appeal. Athletes will still have the time allocated within the policy to submit their notice of appeal setting out their detailed grounds and supporting evidence. However, this notice of appeal will not be accepted if an athlete has not submitted their declaration of intent to appeal within the timeframe set out above.

Any Appeal will be heard by three members of the Paddle UK Disciplinary and Appeal Panel Register (More details can be found [here](#)). If you object to any potential Panel members hearing your Appeal, please detail this in your Notice of Appeal as well as outlining the reasons for the objection.

Questions?

The IP recognises that the OQS and LAR bring added dimensions to an already complex selection policy, so in the situation that you have a question about the application of the policy or wish to simply discuss an aspect of the selection process then we would welcome the opportunity to assist. If you have any questions, please contact the chair of the IP at andy.maddock@paddleuk.org.uk.
